

## Obituary

**Born:** Tuesday, March 14, 1995

**Died:** Thursday, January 9, 2014

Brandon was like a big kid, loving and lost amid growing up. Brandon especially adores his little cousin. We've lost our biggest kid! "Blessed and loved" Brandon John! Everyone who knew Brandon loved him, and most of us just called him by this name, and others called him "B". He loved his family very much. He was a loving son, good brother, committed friend, and dedicated student. Brandon was never in trouble with the police. He was a bright child with a bright future who was dedicated to the people in his life. Brandon attended the Timilty Middle School and Madison Park High School where he was scheduled to graduate in 2014.

Brandon loved his neighborhood and friends, and they loved him. He liked to work-out and was not in any sports because he was asthmatic. He did carpentry at the vocational program at his High School. Brandon never walked alone. He saw the beauty in all people of all races, and they saw the beauty in him. He was a nice person and his first instinct was to give you a hug. He was never selfish or disrespectful; he was loving and always had a smile on his face. Brandon gave unconditional love and friendship to everyone in his life. He was the kind of kid who would give his last dollar or the shirt off his back to help a person in need. Brandon was never mean to anyone, never stressed about anything nor did he raise his voice. He had a way of making everyone who life he touched feel special and comfortable in any situation.

The best words to describe Brandon are loving, strength, and kindness. He was our son, brother, nephew, cousin, friend and fellow classmate. He will be deeply missed and forever loved. The family would like to thank everyone for all their support and words of encouragement during this difficult time.

In Brandon's memory the family has established the Brandon A. John Memorial Fund at Citizen's Bank Account #1326794873
