Joan enjoyed skyline drives and traveling the world with her husband John. Together they collected license plates from all different states. Joan would take frequent trips to Ocean City with her family, and liked people watching while narrating comical stories about them. Christmas was a special time of the year as her house was the place where family gathered. Joan enjoyed crocheting baby blankets and sweaters for her family. She is very much loved and will be missed.

Family requests relatives and friends to visit the Gregory J. Gonce Funeral Home P.A. 169 Riviera Beach Drive on Thursday from 11 to 1 PM. Service will begin at 1 PM. Followed by interment in Meadowridge Memorial Park. Please feel free to express condolences here for the family.
