

Obituary

Born: Friday, January 21, 1994

Died: Monday, May 29, 2017

On May 29th, 2017 heaven gained a beautiful angel. Sarah Elizabeth Gardner (Oliveri) will no longer struggle or fight to overcome her disease. Sarah's life was taken by drug manufacturers, traffickers and dealers. Her passing is a lesson to both young and old. It only takes one mistake and you can become the victim of addiction promoted by evildoers for monetary gain.

We write this obituary in hopes that it may prove insight to those that need to change their behavior one day at a time. To ALL, this is a simple reminder that there are people who love you, with everything that they have and no matter what you do – do not be too afraid or ashamed or scared to do anything to ask for help. To all parents, pay attention to your children and the world that revolves around them even when the surface is calm, the water may be turbulent just beneath the surface. Sarah's struggles have ended and is finally at peace. She will be missed and will always have our love and our prayers. GOD BLESS.

Sarah is survived by her mother, Mary Ann Oliveri-Kapitula, her step-father; David Kapitula, her maternal Grandmother; Mary E. Oliveri, her biological father; Patrick J Gardner. She was preceded in death by her maternal Grandfather; Armando J Oliveri, and several Aunts and Uncles.
