Helen's daughters remember how mom enjoyed simple pleasures like gardening, canning and baking homemade bread. Other moments we remember were her sitting on her swing watching the stars or the fog roll in across the wetlands on the Wauzeka Farm. We hope to encompass the best parts of mom which include being humble, empathetic, compassionate and to love unconditionally.

Graveside services will be held at a later date. The Kendall Funeral Service in Boscobel is assisting the family. Online condolences can be sent to www.kendallfuneralservice.com
