***Just think,***

*You're here not by chance,  
but by God's choosing.*

*His hand formed you  
and made you  
the person you are.*

*He compares you to no one else -  
you are one of a kind.*

*You lack nothing  
that His grace can't give you.  
He has allowed you to be here  
at this time in history  
to fulfill His special purpose  
for this generation*
