

What Is a Grandfather

A Grandfather is a special gift,
Received from God above.
He starts out with patience,
Then adds an abundance of love.

He enjoys telling you stories,
About how he grew up.
He'll share his sandwich with you,
And let you drink out of his cup.

He lets you get away with stuff,
That mom and dad won't do,
He'll teach you how to do things,
Even share a secret or two.

He is always willing to listen,
To what you have to say.
He knows how to make you smile,
And will never stand in your way.

He has tremendous faith in you,
He just has that special touch.
It's no wonder then Grandpa,
Why you are loved so much!

And in the end it's not the years in your life
that count, but the life in your years.

—Abe Lincoln

George is survived by his wife Kathy who he dearly cherished. George and Kathy shared a strong, compassionate, fun-loving marriage for the past 50 years and together they raised four children, a son; Jason married to Lori having two children Kolton and Kenna. Three daughters; Deanna married Todd Sander having three children, Danica, Lexie and Jady as well as a granddaughter, Scarlett. Lisa married Bill Kapinus having three children, Grant, Kelsey and Garrett. Mary married Mike Drake having two children, Connor and Karina. Family was extremely important to George and he will be dearly missed. In our hearts there is a place that only he can hold, filled with loving memories more priceless than gold.
