

## GRAMMA

The words you spoke so wisely  
Have never been so clear.  
All the lessons that you taught me  
Still remain right here.

I am left wishing  
To hear your voice one last time,  
Once more to hear you sing  
That I am your Sunshine.  
You told me it would be alright,  
But I feel that isn't true.  
The only thing to make this better  
Is if I was there with you.  
I know this isn't possible  
But it's hard to think it so.  
I know you're now not suffering.  
But I hate to see you go.  
I'd let you win that last game of cards  
I swear I wouldn't care,  
Just to have you there.  
I know the pain will slowly leave,  
And your memories will stay,  
Your time with us was special,  
And it is often replayed.  
My sunshine was taken,  
Now my skies are left grey.  
Oh, the things that I would give  
For only one more day.  
You were more than just a Gramma,  
You were my best friend.  
My life has changed forever,  
But I'll still love you till the end.

**MISS ME – BUT LET ME GO**

When I come to the end of the road  
And the sun has set for me  
I want no rites in a  
gloom filled room  
Why cry for a soul set free.

Miss me a little – but not too long  
And not with your head bowed low.  
Remember the love  
that we once shared  
Miss me – but let me go.

For this is a journey  
that we all must take  
And each must go alone  
It's all a part of the Master's plan  
A step on the road to home.

When you are lonely  
and sick to heart  
Go to the friends we know  
And bury your sorrows  
in doing good deeds.  
Miss me – but let me go.

~Kinstone

In Memory Of
