

Obituary

Born: Thursday, July 12, 2012

Died: Thursday, December 20, 2012

Dax Archer Canton was born to Nicolas Canton and Renee McKain on Thursday, 7/12/12 at 11:06AM. Dax passed into eternal glory on Thursday, 12/20/12 at 12:53AM. He was born at Tufts Medical Center in Boston, Massachusetts. Tufts Medical Center was also Dax's place of passing.

Dax was taken from us very suddenly. In his short time on this Earth, he touched the hearts of many. He truly had a special way about him. Dax's smile was warm and pure. It could melt the hardest of hearts. We felt that we were being given a gift every time we were lucky enough to receive one of those precious smiles. He was truly a delight at all times.

Dax had such a fondness for the Thomas and Friends TV show. He would sit in his favorite swing and his little face would light up the moment that he heard the theme music. He had been recently introduced to bananas and he absolutely loved them. He had also become fully aware of his feet and would not miss an opportunity to play with them or to try and pull his socks off. He was a studious little character. He would sit and quietly watch his parents or closely examine his hands.

Dax is survived by his parents and a multitude of family and friends. It is our hope that Dax was able to touch you all as he touched us and that his pure heart, spirit and soul will forever live on.

"Our Questions and Answers, Dax"

Sometimes Dax, answers to our questions are easy. Sometimes Dax, the answers are difficult, and sometimes there are no answers. But Dax, you are not our question; you are our answer. Always.
