Nicoletta was born in Orsogna Italy in 1937 and just celebrated her 78th birthday. She came to America in 1955 and fell in love with Angelo and got married in 1960. They were married for 55 wonderful years.

Nicoletta was a strong woman of God. Family was her first priority in life. She always wanted to try new things and loved to travel, but her heart was always in Orsogna. Nicoletta was a seamstress and a full time mother and wife. She was a proud woman full of compassion and kindness. She was known by all for her wonderful cooking. You could always count on her to bring cookies to an event and Sunday dinners became a day of eating.

Nicoletta encouraged her children and grandchildren to take chances in life and do their best. She taught them to always forgive and to know that God will be with you. She had very special relationships with all her grandchildren. Each one had a piece of her heart and always felt her love.

Nicoletta will be missed by all. She will always be in our hearts and we will always be in hers.
